SalzburgerLand

With its multifaceted landscapes, SalzburgerLand is the ideal golfing terrain. Whether in the midst of imposing mountain peaks or at the picturesque lakes, the courses here are just what every golfer desires.

Whether you have just started playing golf or can already compete with the professionals, golfers of all abilities and ages will find here exactly the course that best meets their needs.

Those who spend their (golf) holiday in SalzburgerLand should definitely also pack suitable hiking and biking outfits, in addition to their golf bag. Whether you like a hike or a summit run in the Salzburg alpine summer, action in the bike park or a tailwind when E-biking – here the mountains are never far away. And as a reward, the countless huts lure you in with their wonderfully fluffy Kaiserschmarrn or a classic Ploughman's snack.

An absolute must is a trip to the nearby City of Mozart. It enchants with its narrow streets and wide

squares, with a harmonious interaction of landscape and architecture, art and culture, tradition and modernity. And not forgetting the special flair in this baroque city.

You will also be spoiled with culinary delights in SalzburgerLand. Ten pleasure paths along the Via Culinaria guarantee culinary delights for every taste. Here, you will enjoy culinary delights in a rustic alpine hut or a stylish menu in award-winning restaurants. Alpine cuisine is celebrated at its finest.
